

## INFORMATION SESSION

**Thursday, 5 December 2019  
5:00pm - 6:00pm**

Engineering - Mechatronics Lab  
University of Tasmania, Sandy Bay

The **FIRST® Robotics Competition** (FRC) is an international program for 14- to 18-year olds that inspires a passion for Science, Technology, Engineering, and Mathematics.

Parents, students, teachers, and everyone who wants to help inspire the next generation of problem solvers are invited to attend.

For more details, including a map to the Mechatronics Lab, visit: [devilrobotics.com](http://devilrobotics.com)
